

## **Safe Flooring Systems meet Australian Standards**

Locker Group's extensive range of safe flooring systems, including:

- Gripspan planking systems
- Gridwalk & Gripwalk expanded mesh
- Alu-tread panels
- Shurgrip planking
- Safe T Perf flooring
- Tubular Handrail stanchions
- Gridforge Grating

are all manufactured in compliance with the relevant Australian standards for industrial walkway systems, specifically AS 1657.
